

Hi, my name is Mr Cool

Looking for love

Male Domestic Short Hair Mix Cat

The Cat Haven staff say that I am just one big cool dude! I may look big and tough but on the inside I am a big sook! I'm doing great in my foster home. I'm not scared of new people anymore, will even sit on their laps. I'm a very affectionate guy. I love my pats and scratches and am a loud purry boy. I follow my foster mum everywhere and love sitting on her lap or with her on her bed. I never leave her side, even following her into the shower. If you are looking for a constant companion then I'm your man! I love to play with my toys and with my foster mum at night. I do lots of zoomies around the house and have learnt to play with my mouse on a string. I'm slowly getting used to my foster grandad's dog who comes to visit. I haven't met any other cats yet but my foster mum thinks I'd love the company of another feline friend. I'm a good eater but need to be on a mostly dry food diet because of my teeth. I need to be kept indoors as I have FIV and because of my light complexion.
