Please note, all adoption enquiries are required to complete a full adoption application and sending enquiries will redirect you to the application www.ppar.com.au/adoption-application/ Please complete the application rather than send enquiries, as we do not have the resources to reply to enquiries. ✓ child friendly ✓ dog friendly ? untested with cats ✓ horse friendly Milly is a very pretty and energetic girl who gets on well with other dogs. She is a very friendly girl who also loves children. She is currently untested with cats but has been good around horses. She knows how to sit and she loves nothing better than to curl up next to you on the couch. She loves her walks but needs a little bit of continued training as currently she goes 100 miles an hour with her head down. Milly would be a very good girl for an active family, but is also happy to chill as well.
