

# Hi, my name is Piccolo, Medio And Grande

## Sweet miniature goat trio

### Male Goat

The 3 billy goats are no longer gruff ☹️ Piccolo, Medio and Grande the miniature goats entered our care when they served their impound time at a local pound unclaimed. They were stinky entire bucks who were a little nervous with humans and were happier watching us from a distance but their little world has turned around since then! These 3 sweethearts have been desexed, microchipped, vaccinated and their trust has been earned with daily fresh fruit and veggie treats from our amazing friend and volunteer Garth - we have him to thank for our little friends being so confident and approachable now ☺️ We had them CAE tested on arrival and they tested negative. They are up to date with feet trims, internal parasite and lice treatment and they're ready to find their dream home together now ☺️ Could you offer an amazing home to our pocket sized little trio within Victoria? We would love to hear from you!
