

Hi, my name is Thea

Looking for love

Female Bunny Rabbit Mix Rabbit

Hey, it's Thea! I am a cute, bouncy and bubbly bun looking for the right place to call my own.

I am a sweet girl who has come into the care of the RSPCA, been showered with love and I am ready to find another home! I will need a safe place to rest where I am protected (I hear most people use these things called hutches). I can also be quite sensitive and will need to be kept cool in the summer and warm in the winter. I will need hay daily, 24/7, fresh water and I love pellets for breakfast. My favourite kind of snack is fresh greens such as spinach + kale, and small amounts of fruits such as apple, banana or berries - but I only need these once a day!. I would like my new family to spend time getting to know me, I can be a little shy at first but I definitely have room to improve. I will just need to be brought back into the RSPCA at some stage to get my bunny vaccinations! If you would like more information, please call 9209 9323 or come down to the RSPCA in Malaga and visit me today!
