

# Hi, my name is Harlequin

## Looking for love

### Female Rabbit Unspecified Rabbit

Harlequin and Charlie were surrendered to the RSPCA by the previous owner. We have some prior history. We would get lonely without each other, so we will go to our new home together. We are naturally playful, curious balls of fun! We are easy going kind of bunnies. Our hobbies include eating, sleeping and snuggling. Sleeping inside at night makes me feel safe. We would enjoy a secure enclosure to play in during the day or explore a safe area inside. We wouldn't mind a home with little kids, as long as they play gently. If you like confidence and companionship, look no further. We are the playful partners you've been searching for.
