

Hi, my name is Stormy

Looking for love

Medium Male Kelpie Mix Dog

Did someone say People or Food? Food People? Those are my two favourite words ever!! Food is so yummy and good, if you have some food then you have my undivided attention. Wait! If you give me attention you will also have my undivided love and attention too. As I am a working breed dog I will have lots of energy and will need a family that can keep up with me and my bouncy personality. If you think you can handle me and all that I have to offer then complete the Expression of Interest Form in the 'Apply to Adopt' link below. My adoption fee includes me, my desexing, microchip and health check and makes sure I'm up to date with vaccinations, worming and flea treatments!
