

Hi, my name is Baz

Very Special Boy

Male Domestic Short Hair Cat

Meet Baz - a friendly and majestic ginger tabby boy, with a thick and fluffy tail. Baz is now ready to be a part of a loving home and is looking to join an adult only home or a family with teenage children. Baz is a handsome young man, full of energy but with a tendency to observe. He adores a good scratch and cannot get enough of nice, long scratching sessions.

Due to his past life on streets, he is currently still an independent boy who likes his own personal space to be much of a cuddle bug yet. However once someone special takes the time to earn his trust, he will turn on all his affection. Baz is not tested with dogs. He would do well to go into a home that already has a gentle and suitable cat. All in all, Baz is a wonderful friend and family member. Baz is sensitive to sudden or heavy movements, such as being approached with two hands/arms and is therefore looking to join an adult only home or family with teenage children that would like to interact with him in a way that makes him happy and comfortable. Will your home be The One for Baz?
