

Hi, my name is Maya

Looking for love

Medium Female Staffy Mix Dog

Maya Our special little baby Maya is just the cutest little girl. As you can see our baby was born with a cleft palate but trust me this does not affect her one little bit. She eats normal food and can drink really well. She just can't get enough of our cuddles. She's very affectionate and sits when told and then loves to have her head and neck scratched and then flips over onto her back asking for a big tummy rub. If you ask her nicely she will shake your hand too. She would love someone to teach her some more games like fetch as she is very eager to learn. She enjoys walking beside you on her lead and it would be so much fun to explore places with her as she is such a delight. Her beautiful brown eyes are so full of love and all she wants to do is give it to you, so please call Karen on 0497 292 318 and make all of her dreams come true.
