

# Hi, my name is Salsa \*9 Lives Project Rescue\*

Chatty, human lover

## Female Domestic Short Hair Cat

Salsa was rescued from a school as a young kitten, she has grown up with her family but their circumstances have changed and Salsa is looking for her retirement home. Salsa would love a bed to cuddle up on and would prefer to be the only cat. She is extremely affectionate and loves to be scratched under the chin. She's kind, loving and somehow she knows when you're down she'll find you to lift your spirits. Salsa is an indoor / outdoor cat but only if she has access to a secure cat run.

Full bloods have been run and shows that she could possibly have the beginning of age related kidney disease. We would recommend Royal Canin Kidney diet.
