## Looking for love

### Female Domestic Short Hair Cat

Name: Gloria and Pippa DOB: Gloria 08/07/2017 DOB: Pippa 10/01/2020 Gender: Female Breed: DSH Adoption Fee: Location: Chermside West Snuggle scope: Prefer your company then snuggles Cat scope: Untested Dog scope: Untested Child scope: Suited to older children Vet work: Completed ABOUT - Gloria and Pippa came into care from a hoarding situation with multiple other cats and sadly had minimal socialisation with humans. Fast forward a year and they are inseparable, still cautious of humans and prefer your company and to be near you, over cuddles and snuggles. These two are quite the pair. Joined at the hip, it is incredibly soothing and therapeutic to watch them snuggle together, groom each other and nap on top of each other. Both are very inquisitive and love to know their human isn't far away. Pippa has the most beautiful, wide eyes. She is a real lady. Delicate, smaller, soft and gentle. Gloria is curious and playful and follows Pippa's lead. They love nothing more than to be patted at the same time, and enjoy sleeps on the couch. They really are best friend...
