

Hi, my name is Axe D12752

Looking for love

Large Male Rottweiler Dog

Rottie lovers, this is the dog for you! Axe is a very sweet and loyal dog who loves going on car rides and daily walks. He enjoys having a sniff around the garden, but especially loves being indoors with you. He is okay with hanging out at home while you're at work. Axe loves to chase a ball, or his favourite game is tug o' war, so you better have muscles! He likes water and playtime and he really likes teddy bears. He is a big strong boy with some basic training, and ongoing training will be required in his new home. He is already house trained and knows cues such as Sit, Lay Down, Stay, Come, Go toilet. Understandably, he isn't a fan of strangers touching him unexpectedly, so ensure they take the time to make friends first, as he will love the cuddles and attention when he's ready. He's looking to be your only dog, in a home without children. He hasn't been tested with cats. If you'd love to welcome Axe into your home, contact DFL today to apply!
