### Male Rat Mix Rodent

Hi there! Did you know rats make great pets? We are relatively low maintenance, affordable, typically healthy, surprisingly clean (we really don't deserve our reputations) and we can be trained! All things considered, I think we are pretty perfect! I can get a little stressed out so I will need an experienced understanding owner that will let me take my time to settle in and get to know me! We enjoy our rat mix as well as fresh fruit and veg. We also enjoy a bit of raw pasta, popcorn as a treat. If you would like to meet please come and talk to the friendly staff at World For Pets Underwood and don't forget to bring a photo of my new home.
