

# Hi, my name is Hektor

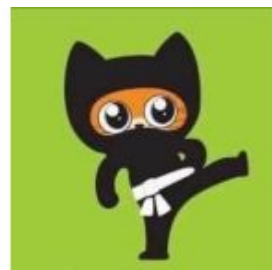

## Looking for love

### Male Domestic Short Hair Cat

Hektor is ready to adopt♥ Strong name = strong personality This chatty boy was taken in as an adult and has settled in amazingly to house cat status. He is the definition of a 'curious' cat. Wanting to know what is going on at all times and trying to be apart of the daily activities of day to day house cat life. If you want to have a cat convo he is happy to apply himself to the challenge and wants to hang with his human counterparts. He is FIV positive so other cats in the house would need to be up to date with their vaccinations, and he must be Indoor only for his own safety. He's approximately 2 yrs old. Hektor is vaccinated, desexed and microchipped. Adoption fee is \$70 Located in Rosewater If you think you have the perfect home for Hektor please fill out the form below
