

# Hi, my name is Romeo & Juliet

## Peek-a-boo!

### Male Domestic Short Hair Cat

Romeo & Juliet are besties. They were both found on the side of Oxford Falls Road. They were sniffed out by a good Samaritan's dog and as they weren't moving he rushed them to a vet. It turned out they both had paralysis ticks and their lives had been saved in the nick of time! It's no surprise that these two are quite anxious after all they've been through and they need to go to a home where they can relax and get on with life. It has taken them about a month to settle into SAFE so we hope that a patient understanding person will come forward so that their good luck continues. We don't know if these two buddied up on the street or if they somehow got lost or abandoned but they certainly have developed a great bond and they need to be adopted as a twosome. It must be said that they don't look perfectly matched and even though they are both black & white Romeo is more confident & and Juliet shy. If the statements below describe you & your home, please call 0404 753 227. I do not have children under 14 living at home I will keep both cats as indoor cats I am prepar...
