

Hi, my name is Lisa

Looking for love

Medium Female Bull Arab Mix Dog

Why Would You Call Pups Bart and Lisa (Simpson!!) On the day we bailed these two rascals out of the pound, they were full of beans and raring to go. After being in the pound for quite some time, this sister and brother had energy to burn and kept everyone at the vet amused by their antics. We hadn't named them at that point so the vet nurses dubbed them Bart and

Lisa. They are delightful older pups (about 6 months) who really respond to time and affection. They are amazing with kids and just love their company especially when there are games to be played. We think they will be wonderful dogs if they are given some training and exercise. They would be great to take to the dog park as they are quite sociable and enjoy the company of other dogs. We are unsure of their breed so have noted them as bull arab x.
