

Hi, my name is Franklin Can Transport To You

Tough guy looking 4 love

Male Domestic Short Hair Cat

Hi slaves, My name is Franklin. I was a street cat but I have learned how to wrap you humans around my little paw. I am a very bold fella when i settle down.. I will let you pat me if I feel like it.... There's nothing like a good head scratch. Well most of the time. Sometimes I dont feel like it and I will let you know by having a swipe at you. I can be a bit of a bully to some cats but get on with others. I am probably not suited to children due to me being unpredictable at times. As for dogs I like to throw my weight around and show them whos boss. I need a human slave who can put up with my behavior and understands that I dont mean to be like I am sometimes. I am a strictly indoor only cat cos if you let me outside I guarantee I will run off and we dont want that! I can be affectionate and smoochy when I want to be. I just need someone to understand me and give me a chance.
