

Hi, my name is Pablo

Total Snuggle Muffin

Female Domestic Medium Hair Cat

Hey friends, I'm Pablo and I'm truly the whole package! Mum was lucky to be picked up just in time to go into labour the same night she arrived into care and so my siblings and I were born, straight into a world of love and care. Unfortunately when my siblings and I were just 3 weeks old, our mum fell sick and was unable to continue feeding us and so we started on bottle feeds with our foster mama and for this reason, I have become the most delightfully smoochy darling of a girl who is obsessed with cuddling and smooching and will sleep under and nuzzle your neck. If you're looking for the most beautiful companion a human could want, you've come to the right place!

All vet work will be completed before adoption
