Female Bunny Rabbit Mix Rabbit

Adoption requirements: - If you are adopting a kit who is unsterilised and you have rabbits at home we will need to see a sterilisation certificate from the vet clinic to verify this. -If you are adopting a rabbit that is not yet vaccinated and have a vaccinated rabbit at home - we will need to see vet records of this. -If you want to adopt a pair of rabbits they will have to be the same sex if unsterilized. Hey Hey, little bunny here! My name is Vienna and I am a sweet little girl that can't wait to explore this big world and have many adventures in a forever home. I came into the RSPCA's care with my mumma and bunny siblings and we have been absolutely spoilt here however I am ready to explore and show my personality! .I can also be quite sensitive and will need to be kept cool in the summer and warm in the winter. I will need fresh daily greens and veggies to keep in tip-top shape. I will also need fresh water, hay and rabbit pellets to maintain a healthy diet. I am currently on a special adoption agreement and I will require to be brought back into the shelter when I ...
