

Hi, my name is Darling

Shy old gal, but loving

Female Domestic Medium Hair Cat

Meet Darling, this old lady is a little shy to start with, but as soon as she warms up she is one with the family. Darling loves to sit on laps for cuddles, and enjoys watching the day pass by out the window. Once she has settled in, you are rest assured this cheeky girl will enjoy some playtime with her family too. Darling is great at letting her family know if she needs anything, and can get quite chatty often 'meowing' at her family. Darling also enjoys her alone time, and is happy to be left alone to do her own thing, At meal time, she isnt a big eater, ofter preferring to graze throughout the day, instead of 1 big meal. Darling would suit a single person or couple who is looking for a little companion to come home to. She is after a home where she can relax, enjoying some peace and quiet for her retirement years. She would prefer a home that has limited hussle and bussle, allowing her to settle in and enjoy the time with her family. Darling's adoption is an assisted adoption via PetRescue's Home2Home program. You will be speaking with Darling's own...
