

Hi, my name is Cole

Looking for love

Male Domestic Short Hair Mix Cat

My name is Cole and I am as black as coal as you can see. I am a sweet, shy, gentle boy but a little fearful of new things and places. With this said if you start me off in a launch room first this will help me settle into a smaller space first before opening up the whole house to me as it could be overwhelming. It might take a little time for me to settle in and relax so be patient with me and let me go at my own pace. I am looking for a quiet calm home with a gentle understanding owner. Little kids scare me, but older less boisterous kids would be okay to play with me as they would understand that I can be a little bit timid at times. Just promise to love me unconditionally keep me well fed and cared for, give me all the pats and cuddles I can handle and very importantly provide me with a safe indoor lifestyle so I can live a long and healthy happy life. Are you ready for an adventure with me.....then please fill in an adoption application today, <https://www.rspcaql.org.au/expresion-of-interest-to-adopt>
