

# Hi, my name is Kelly

I'm very happy!

## Large Female Greyhound Dog

Kelly is a small, bubbly 4yr old girl. She's super sweet and loves a crate! She will race the others at HQ to get to her favourite one. Kelly is happy to take herself off to another room and sleep in the open crate or on the couch throughout the day or night. She will entertain herself with a select few toys when the mood strikes her, but her favourite past time is people watching out the window. She is friendly and playful with the small fluffy dog, while still being careful of their size difference. Kelly is looking for a home with no cats at this time. She may get used to them slowly, but at this time we recommend a home with no cats while she settles into pet life.
