She will need to go to a home where someone has time to play with her. - Energetic Ocean is a very good eater and has learned to sit for her food. - Ocean gets along with calm dogs but is not suitable to a home with cats or children under 15 years of age. - Ocean is OK to spend time alone during the day as long as her adoptive family makes time to play with her when they get home. - Can you give Ocean the caring and loving home she needs? You'll get a sweet companion in return. If you would like to meet Ocean, please complete the application form at <https://aus01b.sheltermana...>
