

Hi, my name is Boz & Buster

Looking for love

Male Domestic Short Hair Cat

Boz and Buster were born at the shelter and we have been able to watch them grow up into two very cheeky and playful little boys. Both boys love to have a cuddle and have a blast playing rough and tumble with each other, but they can be a little bit unsure of new things and loud noises, so would be more suited to a home with children over the age of 12. Buster is FIV positive, so will need to be kept indoors to keep both him and his neighborhood cat friends safe. We would love these two to find a home together. If you would like to meet Boz and Buster, please give us a call on 9722 1265 to make an appointment
