

# Hi, my name is Archer

## Looking for love

### Large Male Bull Arab Mix Dog

My Name is Archer I'm a super sweet intelligent boy who wants nothing more than to spend my time with my family. I LOVE going for walks and playing outside! Things such as Kongs and enrichments feeders are perfect for me as I enjoy the challenge to solve the puzzles. I am a very over social dog, If I go to a home that already has a dog I will need to meet them first to ensure we get along. I have a best friend in shelter and we love to spend hours playing! A preference would be for children in the home to be older, however I am open to the right family with experience in owning dogs similar to me. I'm not recommended for a home with farm animals. But a home with acreage or daily walks would be perfect. I have been in care over 110 days now! If you think I might be the perfect fit for your family, please fill out an adoption application today!
