

# Hi, my name is Nicholas

## Looking for love

### Male Domestic Short Hair Cat

Nicholas has been desexed, microchipped and has had his first vaccination. He is a young and energetic kitten looking for his new family! Nicholas is the cat you get when you really want a dog! He loves chasing toys, and needs attention to thrive. He would suit a family with older kids who understand he is learning and needs a lot of play. He may be too rough for younger children. Please note his second and third vaccine are not included in the adoption fee.

Please note due to Nicholas being under six months of age, he has not been FIV tested.
