

# Hi, my name is Jackson

## FULL OF BEANS

### Male Domestic Short Hair Cat

I am a big happy boisterous unit of a boy .... a stunning looking tabby with my white socks I love talking to you when you come home ... I greet you with my purring helloooooo and always a paw to get your immediate attention. I am very friendly, extremely active, I am off as soon as I am let out of my room at my Foster Carers house. A big smoochy big boy who just wants to give you nose to nose kisses and cuddles. I am full on with playing, a big boy who is looking for a fabulous family who will shower me with all the good things in life that I could need. I have shared my digs in a room with two other big boys and we all get on fine together, often talking, to see who can get our carers attention first ... trilling together is our thing :) I am strictly an indoor only guy - no outdoor life for me. I am quick so you will have to have your wits about you - but I am sooooo worth it. I am raw fed diet - luv luv my turkey patties - not junk food or bikkies for me - this keeps my in tip top health and my coat looking magnificent ... but I do enjoy my chicken necks ...
