***** All About Me and My

Unique Personality: Hi I'm Jemima! I am a true lap cat. I love human attention. I am ready to find my furever home. I sustained an injury to my chin (cause unknown) which you may notice is now healing quite nicely. I'm not scratching at it any longer. In a few weeks it should be gone completely. My Ideal Home: It would be best if I was an only pet in a more quiet household with no young children. What is Known About My Background: I came from a home with a young toddler and became stressed. Since I have been in care with HAR I have shown no signs of stress at all, so no young children would be best for me. How Do I Interact with Kids, Dogs, Cats and Other Pets: Older children should be okay. I was at my previous home with another cat. We only fought occasionally. I would best be suited as an only pet though.
