

# Hi, my name is Snowy & Snooki

Most lovable seniors ever

## Small Male Maltese x Shih Tzu Mix Dog

Snowy and Snooki are 10 & 9 yrs old and were surrendered due to their elderly owners no longer being able to care for them. They are the sweetest friendliest little fuzz balls and will not be separated as they have always been together. Snowy is a male Maltese x shihtzu and lives on epileptic medication which controls his condition so no seizures in a long time. Snooki is a female and well not quite sure as we were told Maltese x shihtzu but has a more spitz like tail. Both are easy dogs who just love each other's company and human company and are great with strangers and they love my nephews who they are temporarily living with. Unfortunately they aren't good with other animals so a home where it is just the two of them and their humans a must. They are both easy to medicate and groom, and are inside dogs who also enjoy their time exploring the yard. In care they have both had big dental cleaning both losing a few teeth but are doing well.
