

Hi, my name is Gina

****Application Required****

Female Domestic Medium Hair Cat

Gina's face says 'don't talk to me' but she is full of stories to tell you and really is affectionate. In fact, we can't seem to get a photo of her without the don't talk to me face or mid-meow. She is playful and very sweet. She isn't a fan of the dogs and isn't afraid to voice her displeasure in their existence. She does however like other cats and the kids. She knows they'll play with her. She has received her first vaccination, has been flea and wormed, ready to go to her forever home. She was desexed on the 30th December. To be considered as for her adoption you must complete an application form via our website radarescue.org/adoption. *Although we will answer all enquires through Petrescue it does not count as an application!*
