Adopt love!

Female Domestic Short Hair Cat

Hi my name is Wilma and I am a beautiful cute little kitten. When I arrived at my foster mum's place I was under-nourished but although smaller than my brother Wilbur, I am now recovering well and happy to be involved in Wilbur's antics. We both love to play together and roll around on the couch and floor. However, my foster mum described me as gentle and I am happy to sit with my people for a bit of quiet time. I am getting used to the litter tray and also getting used to the resident dog, although I have had limited contact. I am sure I would fit in well in a new home who has a dog. I haven't had a lot of contact with children but am sure they would love me and I would love them too as long as they are very gentle and kind to me. If you would like two kittens to keep each other company whilst you work or don't want to constantly entertain one kitten, try Wilbur and I, we will entertain each other then enjoy quiet time with our new owners. If you would like me in your life, you won't be disappointed. Apply to adopt today! I CAN FLY TO PERTH! Flying for a few hours is v...
