<https://forms.gle/hhWiYC69g8r9UFZ49> The first thing you need to know about me is that I recently became a tripod! I sadly had a injury that resulted in my hind left leg being broken.

My vets made the decision that it would be best for my leg to be amputated. I am doing great and adjusting to my new life very easily. I would love a home of my own to fully recover in and live my new three legged life! What I need in my new home: • To be kept inside at all times so I'm always safe from harm • INSIDE ONLY CAT • A diet of good quality dry food to help keep my teeth clean • Toys, enrichment & mental stimulation • Lots of love and attention • Happy to live with older children • Happy to live with another friendly cat • Regular grooming so I'm always looking my best Things that I don't want in my new home: • To be allowed outside where I may be hurt by cars or dogs • Small children due to my rough play My best features:...
