

# Hi, my name is Dot

## Calm sweet

### Female Domestic Short Hair Cat

So Dot is a little girl that came to me with 5 other siblings at around 10:11 months old. When they 1st arrived there were extremely quiet and shy but now they're very outgoing and friendly. Dot is great around other cats and also used to dogs, being around litter trained and very friendly with me now is a sweet little girl who would delight any home. Probably would like to be with another cat but I think she would be fine on her own. She's being only indoors at my house. If you would like to meet, please text .DOT to my phone number 0406612339. I will get back to you as soon as possible. Covid friendly and contactless adoption available.
