

Hi, my name is Nala

Cat friendly

Female Domestic Long Hair Cat

Meet Nala Nala is still a young girl, probably around 1 year old. She came to us from a hording situation where she wasn't being looked after properly and she was also heavily pregnant. She delivered 4 babies and has since raised an extra 4 orphaned ones. Nala was a wonderful mother but now it's her turn to have a forever happy home she deserves. Nala can be a little shy and cautious at first, but once she gets to know you, she will come and sit next to you for pats and loves to give you kisses on your nose. She can be picked up but doesn't love being carried around. Loves other cats for company especially a male cat. Nala would prefer a home with older children. She isn't fond of the dog in her foster home. Shepparton.

No medical or health issues
