

# Hi, my name is Orca

## Beautiful Tabby Boy

### Male Domestic Medium Hair Cat

Meet the beautiful little Orca, this little man in looking for his forever home. Orca is your typical fun, energetic little kitten. He loves running from end to end of the house and climbing and balancing on things. He loves his cat tower and spends lots of time jumping up and down the tower, hiding in the cubby holes and jumping out at his brothers. Orca can always be found right in the centre of the fun, he loves playing with all of his feline foster siblings. Once play time is done he loves sleeping anywhere comfy, particularly on a human bed or lounge. Orca gets along brilliantly with other felines so would prefer a home with an existing feline or with one of his brothers. He has had some exposure to dogs, hes a bit unsure of them but given time will adapt well to a home with a dog. Orca has been chipped, first vax, desexed, wormed and flea treated. He is a very healthy little boy ready to move to his forever home. If you think Orca will make a great addition to your family get in touch at [jaydeericab@gmail.com](mailto:jaydeericab@gmail.com), tell us a little bit about yourself.
