

# Hi, my name is Lizard

## Best Friend Material!

### Male Domestic Short Hair Cat

If you are looking for a best friend, then look no further. Lizard is sweet, affectionate, playful and a load of laughs! Lizard was found with his brother, trying to survive in the flood waters at a service station. He was tiny, afraid and starving. During his time in care, he has learned to trust, he loves pats and cuddles, purrs like crazy and will follow you around for food! He has flourished into a sweet, smoochie and cheeky little BabyCat! Lizard is a manx, meaning he was born with no tail. He bounds around the place and looks like a hopping little bunny :D

What Lizard lacks in tail, he makes up in sheer cuteness with his little white beans (cue: heart melting). He is fostered with a variety of other felines and canines and, given time, he will make fast friends :) If you can open your heard and home for Lizard, please complete an Expression of Interest form listed below.
