Princess Muffin is one of Waffles' gorgeous babies. Princess Muffin is the most spoiled of the pack. Her 'human' fell in love with her cute grey nose, ears and tail and ended up carrying her around way too much and now she thinks she is a human. She is the first to run up in the morning for a pat and is the calmest and friendliest of the pack. If there is a rabbit sitting on your foot and waiting for a pat it is this Princess. She is a very special bunny and whoever adopts her will know they have found the best of friends. She will be booked in for her vet work with one of our partnered vets once she is old enough. If adopted prior to this time, adoptees will be provided with a voucher for her vet work to be undertaken at one of our partner vets.

Princess Muffin is now in Melbourne and can be adopted by our Victorian adopters! Our bunnies are: house trained microchipped parasite treated vet h...
