

# Hi, my name is Chase

## Playful & loving

### Male Domestic Short Hair x Domestic Medium Hair Mix Cat

Chase is a friendly, confident and curious teenager with a big, sweet personality! He loves to chase his ping pong balls, and his siblings Cooper and Duchess. He's usually the last one to give in, but when he does he will curl up lovingly in their arms or come and lay beside you and purr loudly while enjoying pats or holding your hand. He's been in my care for 2 days and already follows me everywhere, including the toilet! He has the softest short white coat with a beautiful long fluffy black tail, his markings are incredible and the combo of big white whiskers against his black Batman mask is striking! He looks a lot bigger and older in the photos than what he really is, at 6 months old he's still very kittenish and small but has the benefit of being toilet trained and socialized so you won't have to worry about any accidents. Come and meet this gorgeous boy and his siblings and you will fall in love with them. He's waiting for a forever home that will give him lots of love, pats and playtime. He is a skilled hunter with his toys, so he will need an indoor only lifestyle,...
