

# Hi, my name is Buddy

## Looking for love

### Male Domestic Short Hair Mix Cat

Buddy is quite the little man about town and can't wait to start his new journey in to family life. Buddy enjoys all the great kitten pleasures, like playing, eating and sleeping. He would be well suited to a young family who are looking for a loving playful friend. Buddy has previously had Cat Flu. Although this condition usually resolves without complications, in some instances the cat may remain a carrier of this disease and the disease may recur in the future.
