

# Hi, my name is Spice

## Family /Companion Pet

### Medium Female Mixed Breed Mix Dog

Spice is a medium mixed-breed female approximately 2 years old. She's Full of Fun , full of energy, but mostly full of love and really really really does love Pats and cuddles. This Focus for positive attention should make training quite easy as she loves to be told what a good girl she is! She will need a yard for the mornings zoomies, a daily walk, quality people time and inclusion in family activities and adventures. Spice would be suitable for a family with children 12 years plus or a couple where work from home is the deal at least for some of the week.
