

# Hi, my name is Simba (Bonded With Moo)

Super sweet

## Female Domestic Short Hair Cat

Simba is bonded with and to be adopted with Moo These guys are siblings and the best of friends. They'd make a perfect addition to any family. They love people, other cats and especially love dogs. They are both super playful and affectionate. Everyday I find them literally cuddling with their arms over each other in a new position. They are always together and deserve a home together.
