

# Hi, my name is Monkey

## Cheeky and fun

### Female Domestic Short Hair Cat

This gorgeous little girl was taken to the pound by a kind human. Since then, she has made everyone fall in love with her cheeky nature. Do you have room for a Cheeky Monkey at home? Monkey loves playing, both with other cats or kittens and humans. She's a happy kitten, and is playful, cheeky and is a joy to be around. When she's not playing, she's happy for a cuddle and a snooze on a lap, or on someone's chair when she manages to steal one. She has had her first vaccination, is desexed, microchipped, flea and worm treated as well as litter trained. If you would like to meet Monkey, who is located in Orange, NSW, get in touch with us now!
