

# Hi, my name is Wilbur & Neville

Double ginger delight!

## Male Domestic Short Hair Cat

Four year-old Wilbur and Neville are placid, good-natured gingers that have been in care far too long. These boys are offered for adoption as a bonded pair. They've lived together since the beginning, so we don't have the heart to separate them. They love interacting with their human family and would bring much pleasure into the life of any cat lover, particular those who fancy a dose of double ginger delight. Calm, undemanding and friendly, they are low maintenance chaps that enjoy being with humans and other cats. They are equally comfortable entertaining themselves, whether that's by grooming each other, playing or merely snoozing the day away. Wilbur and Neville would be ideally suited to the home of full-time workers, but would also be great feline companions for someone who is at home most of the time. Their adoption fee is \$400 and they are desexed, vaccinated and microchipped. Scrupulously clean, Wilbur and Neville live inside exclusively and are litter-trained.
