Female Domestic Short Hair Cat

☐☐BONDED PAIRS | \$50 OFF ADOPTION FEE ☐☐ 🐱 MEET ROLEY & CHONKA 🐱 Hey pals! My name is Roley and the other gorgeous kitty is my bestie, Chonka. You may be wondering where my name came from? Well, you see, I like to spend a lot of time rolling around on the floor asking for lots of love, so my foster ma called me Roley! Chonka got her name because when she came to our foster mum, she was very pregnant with a very big belly. Now that both of our litters of babies have gone off to their forever homes, Chonka and I are hunting for our furever family together - we promise we're the cutest pair ever! Could our forever home be with you?! Nature I'm a super duper chatty girl, I love talking and being very vocal with humans. I am mostly calm and relaxed but I get the crazy zoomies at times. I'm also a very mischievous girl, my foster mum is always telling me off for being cheeky! Chonka is a very placid girl, she tends to keep to herself most of the time. She is very talkative when it's dinner time, sometimes she will even smack your leg if you walk past her without pett...
