

Hi, my name is Dustan

Beautiful young man

Male British Blue Cat

I'm Dustin, and my foster lady has declared me as the most polite, dashing, debonair young man to have ever graced her home. Call me old fashioned, but I believe a gentleman should always act with proper decorum. If my lady requests a kiss, I will always happily oblige ☺ Either a peck on the lips or head boop, her wish is my command. If my lady calls for me, it would be improper etiquette to keep her waiting! I immediately run to her, even if across the other side of the home. I even escort her from room to room sometimes, just to make sure she is safe. I am definitely an affectionate gent, but I can be quite shy with humans to begin with. I do, however, get on famously with other cats.. Though I'm not interested in their rough and tumble! Civilised, cultured cats that enjoy bird watching, botany (eating/sitting in house plants), mountaineering (climbing every cupboard possible) or just cosy curl ups are my cup of tea! I could be your perfect gentleman, if you'll have me?
