

Hi, my name is Rufio

Looking for love

Male Domestic Short Hair Mix Cat

Rufio is the most curious and cheeky of his little group of kittens and he is most definitely the bravest and the leader of the pack! He loves to chase and pounce and is often found getting up to adorable mischief. Rufio will absolutely make you laugh with his cheeky antics.

Like most ginger boys, Rufio is very affectionate and cuddly with his humans. Rufio just loves the resident adult cats in the home, loving to play with them and even groom them. All AWL NSW kittens and cats come litter trained, desexed, microchipped and will have received their first vaccination.
