

Hi, my name is Flossy

Sweet little princess

Female Domestic Short Hair Cat

Hi, I'm Flossy. I'm a dainty little princess and my foster carers think that I am about 9 months old. I came into care with my little pip-squeak old baby. I've had a little bit of a rough road until now and i'm learning to love pats and cuddles from my foster carer. Sometimes I can get a little bit scared, but i'm coming along leaps and bounds learning to love the attention of my humans. I will rub up against you, lay on my back for a tummy rub and be very smoochy when I trust you. I used to be scared of dogs, but i've been hanging out with my foster carers greyhound x and i'm learning to trust friendly doggies. I also spend time hanging out with my foster carers two cats and enjoy their company. But i could quite happily live in a home with just me and my humans. I haven't met many children in my life yet, but i'm sure if they're gentle i'd get used to them pretty quickly. I'm Desexed, Microchipped, Up To Date with Vaccination, Flea & Worm Treated and i'm a very good girl with my litter. If you're looking for a calm, sweet-natured little girl we could be a match. I can't ...
