

# Hi, my name is Marshmallow

## Sweet and playful

### Male Domestic Short Hair Cat

Hi, i'm Marshmallow. I'm about 15 weeks old and i'm all white except for a few little grey specks on my head. I'm very handsome if you ask me. I can be a little bit shy if you go to grab me too quickly. But i'm very sweet once i get to know and trust you. I'm quite an independent young boy and I love love love playing with my foster brother Shay who is also looking for a forever home. We wrestle like crazy, growl at each other and chase each other around and around. I get along well with all the other kittens at my foster home and i'd be great company for an active cat or young kitten that will play with me. I love my food, i love climbing and i'd love to find my forever home. I'm desexed and microchipped and up to date with his vaccinations, flea and worming treatment. If you'd like to meet me and possibly my foster brother Shay, i'm located in Ivanhoe East.
