

# Hi, my name is Joy

## Looking for love

### Female Domestic Short Hair Mix Cat

This is the lovely Joy! Joy is looking for her own forever home. She is a very chill kitty who is really not much more than a young girl herself. She is very happy to be left to be independent and snooze and relax in comfy, cozy spots. However, she will also be rather keen on the attention of her new home and lapping up some love and affection. Joy would likely do well as an only cat and is expected to require a gentle introduction if there are any other cats in her forever home. Joy is very much ready for her own home in which to really settle in and bond with her humans. If Joy sounds like the cat for you and your family, contact the shelter at [kempscreek@awlsw.com.au](mailto:kempscreek@awlsw.com.au) or call 8777 4445.
