

# Hi, my name is Jet

## Looking for love

### Large Male German Shepherd Mix Dog

Hi my name is Jet My foster mum says I'm a sweet little pup - she said it was amazing to watch us grow and start to really show our personalities - My foster mum says that as I am only still young writing my bio is a bit hard but she will give it a go. Okay so I sleep, I play, I love getting cuddles from my foster mum, and she says I'm super helpful when she is doing housework - I call it being a project manager! We are in a foster homes that have some older foster fur siblings and they are fun as to play with - it's great cause the rescue makes sure then that I am good with other size dogs as well (small and big) and kids - I do love to play and then sleep and then eat and then have cuddles and then basically repeat!!! My foster mum has asked if you're interested put an application in but she will be updating my profile each week as my personality grows My siblings are Ebony, Sable, Raven and Coal \*\* Please note applications will close Thursday 27th January 2022 at 5.30pm The adoption application link is <https://goo.gl/forms/PqpkCcE89ikDR2Lw1>
