

# Hi, my name is Brutus

## Looking for love

### Medium Male Irish Wolfhound x Mixed Breed Mix Dog

Brutus is a cuddly, playful and friendly boy! He loves playing in the yard and getting cuddles on the couch. And he absolutely LOVES meeting other dogs! He would be best suited to an active family who can take him on excursions and give him lots of love and attention. He can be pretty excitable at times, so he's working on his manners, such as not jumping up and pawing people. He's pretty responsive, though, so he should settle down soon enough.

Brutus is good with other dogs, but untested with cats and children. He is housetrained. All PAWS Darwin animals come with de-sexing, up to date vaccinations and worming plus micro-chipping. In addition to this all dogs are eligible for 4 free socialisation or puppy classes. For more information or to meet the animal please complete the meet & greet form on our website <http://pawsdarwin.org.au/forms/>
